```
'If you're new to my channel, my name is Alex Hormozi. I'm the '
```

```
'founder and managing partner of Acquisition.com. It's a '
```

```
'family office, which is just a formal way of saying we invest '
```

```
'our own money into companies. Our 10 portfolio companies '
```

```
'bring in over $250,000,000+ per year. Our ownership stake '
```

```
'varies between 20% and 100% of them. Given this is a YT '
```

```
'channel, and anyone can claim anything, I'll give you some '
```

```
'stuff you can google to verify below.\n'
```

```
'\n'
```

```
'How I got here...\n'
```

```
'\n'
```

```
'21: Graduated Vanderbilt in 3 years Magna Cum Laude, and took '
```

```
'a fancy consulting job.\n'
```

```
'23 yrs old: Left my fancy consulting job to start a business '
```

```
'(a gym).\n'
```

'24 yrs old: Opened 5 gym locations.\n'

'26 yrs old: Closed down 6th gym. Lost everything. \n'

'26 yrs old: Got back to launching gyms (launched 33). Then, '
'lost everything for a 2nd time. \n'

'26 yrs old: In desperation, started licensing model as a hail '
'mary. It worked. \n'

'27 yrs old: "Gym Launch" does \$3M profit the next 6 months. '
'Then \$17M profit next 12 months.\n'

'28 yrs old: Started Prestige Labs. \$20M the first year. \n'

'29 yrs old: Launched ALAN, a software company for agencies to '
'work leads for customers. Scaled to \$1.7mmo within 6 '
'months. \n'

'31 yrs old: Sold 75% of UseAlan to a strategic buyer in an '
'all stock deal. \n'

'31 yrs old: Sold 66% of Gym Launch & Prestige Labs at \$46.2M '
'valuation in all-cash deal to American Pacific Group. (you '
'can google it)\n'

'31 yrs old: Started our family office Acquisition.com. We '
'invest and scale companies using the \$42M in distributions we '
'had taken + the cash from the \$46.2M exit.\n'

'32 yrs old: Started making free content showing how we grow '
'companies to make real business education accessible to '
'everyone (and) to attract business owners to invest or scale '
'their businesses. \n'

'34 yrs old: I became co-owner of <https://Skool.com> to help '
'the many people who want to start a business online do so.\n'

'\n'

'Today: Our portfolio now does \$200M/yr between 10 companies. '
'The largest doing \$100M/yr the smallest doing \$5M per year. '
'Our ownership varies between 20% and 100% ownership of the '
'companies. Many of them we invested in early and helped grow '
'(which is how we make our money - not youtube videos).\n'

'\n'

'To all the gladiators in the arena, we're all in the middle '
'of writing our own stories. The worse the monsters, the more '
'epic the story.\n'

'\n'

'You either get an epic outcome or an epic story. Both mean '
'you win. \n'

'\n'

'Keep crushing. May your desires be greater than your '
'obstacles. \n'

'\n'

'Never quit,\n'

'\n'
'Alex\n'
